STREAM CLEANUP EVENT

APRIL 13, 2019

## HOSTED BY GOODLETTSVILLE VOLUNTEERS

**THANKS TO ONE AND ALL** for the outstanding event success through your continued participation on our annual stream cleanup events. This Spring we enjoyed a great turnout with 20 volunteers!

The stream cleanup event included volunteers from local residents, local business and employees from Goodlettsville to assist with litter and debris removal! The environmental aspect of these cleanups was briefly discussed with our group prior to the event. Please see the outstanding results from our event!
